

Annotation

The four quartets by Josef Fiala (1748 – 1816) are originally for bassoon, violin, viola and violincello. They were published in 1986 by „Editio Supraphon Praha“ as No. 53 in the series „Musica Viva Historica“. In order to make these attractive and melodic quartets available also for basset horn players, the bassoon part is presented here arranged for basset horn. The string parts of the publisher Supraphon can be used without change together with this basset horn part.
